

## Consent Forms 2025

You have papers or presentations at the ICML 2025 conference that require one or more release agreements to be signed. The release agreements give ICML permission to publish video recordings of oral presentations and/or to publish accepted papers in the proceedings. The agreements also give ICML permission to promote and announce your talks and papers. You retain the copyright to your work.

*You have 0 forms to be signed.*

Note that only one author per paper needs to sign the publishing release. The release form for your paper has been signed by, Jinghan Zhang

Publishing Release: Bring Reason to Vision: Understanding Perception and Reasoning through Model Merging, Why Is Spatial Reasoning Hard for VLMs? An Attention Mechanism Perspective on Focus Areas ==> (Signed and Accepted)
