

## Consent Forms 2025

You have papers or presentations at the ICML 2025 conference that require one or more release agreements to be signed. The release agreements give ICML permission to publish video recordings of oral presentations and/or to publish accepted papers in the proceedings. The agreements also give ICML permission to promote and announce your talks and papers. You retain the copyright to your work.

*You have 1 forms to be signed.*

Publishing Release: Optimal Transfer Learning for Missing Not-at-Random Matrix Completion  
==> (Signed and Accepted)
